## **RE: BOROUGH OF MERCHANTVILLE REVALUATION** **FINAL ATTEMPT FOR AN INTERIOR INSPECTION**

October 6, 2011

Dear Borough of Merchantville Property Owner:

While you (or your tenants) were out we made a third attempt to inspect your property.

To better assist us in assessing your property for the Borough of Merchantville Revaluation, we request that you call our office to set up an appointment for an interior inspection. *Without an interior inspection, we cannot ensure the accuracy of the assessment. You may be assessed for items you do not have.*

Appointments for rental properties can be handled in one of two ways. If you would like to be present for the inspection, please call our office at the toll free number below and we will set up an appointment at a time which is mutually convenient. You may also contact your tenants to give your consent and have them call Professional Property Appraisers to set up an appointment. Interior inspections take approximately 5-10 minutes. We offer daytime, as well as, evening and Saturday schedules to accommodate property owners and tenants.

Please call Professional Property Appraisers, within 48 hours, toll-free at **1-800-410-5815**, between 9:00am and 4:00pm to set up an appointment for an interior inspection of your Borough of Merchantville property. You may also contact us as [www.ppareval.com](http://www.ppareval.com). *If you have already scheduled an appointment, please disregard this notice.*

Thank you for your cooperation in helping complete the revaluation program.

Sincerely,

Professional Property Appraisers, Inc.
